When tendered a hack tirket (12% ets.) for a journey within the legally prescribed distance, many of them decidedly refuse to accept of it, and state at the same time that they do sublect for less than a quarter. An expression guilty of overrhanging ought to be penalized in a sirollar manner to what a boatman is.

On Friday last the Minister of Finance or sented a joint-resolution asking that the Assembly authorize him to draw from the Treasury the some

of \$10,000 now due S. G. Wilder, as per contract between the late Minister of the Interior and the said S. G. Wilder, and to instal the said arrount to the Minister of the Interior, is order that the claim of S. G. Wilder may be satisfied. Read a second time and ordered to be sugrossed. Zamiosk gave a final performance at the Musi-Hall last Saturday evening. The programme was

Hall last Saturday evening. The programme was varied from what it had been the previous Thursday, and the magician certainty showed considerable ability in crystifying his audience. His sleight of hand tricks are truly wonderful, and the way in made eggs and half dollars come out of the pockets, the bosons and very hair of many of the audience was surprising indeed. Before leaving the Islands, Mr. Zamlooh intends visiting Kanai, where we hope be will meet with the reward be deserves.

School June 20.—In the Concross this after-pilke, Under Foreign Secretary, stated that iterance of the six great Fowers will meet in antinople on Thursday, without the consent months part, but death was not considered to be months past, but death was not considered to be imminent. The death occurred early on Saturday marning. Capiain Berril was for many years engaged in our coasting trade, mad owned a pleasant homestead in Numans Valley. Some 8 or 10 years ago, he gave up his command here and went to the Colonies, where he superintended the building of his actionment. The Description, this vened was unfortunitally, wrecked at the Fig. Islands. For some time the Capiain was noting Harbor Master at this port. He heaves a sufe said three children to mourn his loss.

Last week we had occasion to comment upo the Island of Mani. By the fast Islands we have again received complaint that copies of the paper have gone astray. We have us doubt about the mails leaving the central post office in proper shape, and the mislang must occur on Mani. That there is considerable locustics somewhere is evident, and we have additional leating my from a gentleman who strived on Sunday. He tells us that a helter smannoning him to appear before the Court, July Sch, was nower delivered to him, and it was tenly by accident on July 1st that he heard from or of the government officers, that a summons had ceity by accused to its of the lost of the fearly from one of the government officers, that a summons had been issued for him to appear. He then proceeded to the post-office and uncerthed his letter. The envelope bore the date. June 21st, showing that it had been forwarded from Honolum in proper time. The gentleman had only just time to eatch the Likelite and get down for the Court. niversary occasion to mark that feeling by some token that may renew those assurances of amily. For this reason your fellow-checks of the Interior. Department beg that upon this amirerary of your birthday you will please accept the accountanty in the part of the pare where are the graves of our fathers, and mothers, and ying token of their esteem, and with it, their earnest wish that you may five to enjoy many returns of this day. With abola nul. Signed by all Colonel Boyd's fellow-checks in the Interior Office.

A few showers during the week, but only just enough to make us wish for more.

The J. D. Specials arrived on Friday evening she brought a general cargo. There were sever cabin passengers and twenty-five steerage.

A Portuguese baby was buried on Friday in a A Portuguese istay was buries on Friday in a somewhat curious fashion. The lid of the coffin was left at the church door during the service and carried to the grave spart from the coffin. The custom is in use in some countries of the European confinent, but it is the first time it has been seen been seen the confinent.

Kapat. Mr. Goo. H. Dole, Manager of the Makee Sugar Co.'s Plantation at Kapaa, is recovering from the effects of the injuries he received from a mad bull on the 25th of June. On Saturday last, the 1st inst., he walked from his residence to the office.

FOURTH OF JULY, 1882, One Hundred and Sixth Anniversary of

AMERICAN INDEPENDENCE.

provided for the noulistude. There was a bounti-ful supply of milk trond Judge McCally's dairy. After satialing their deams like appetites, the devils and their imps proceed up the Valley to a point above School street, where they counter-marched and returned to town. Had the programme been carried out they would have gone to Seneral Comly's residence on Judd street, where a General Comily's residence on Juid street, where a warm recognism awaited them. Quite a host of young folks assembled at the General's to receive them, but they were survived disappointed. The principal characters in the procession were Capt. Geo. Ashley and H. Hibbard as Bine Derlik, M. N. Thompson, Goddess of Liberty, driven by Messers. E. Williams and Prank May duly attired in colors. They were followed by an artillory wagon with a lead of force icoking officers in the privates and a solid force icoking officers. In open and the processor of walfile, wagon indicating the ordinary style of willing discint in Eastern cites. The occupants were Messers Miller, Lewis and Wissaman. The acting of this trio was comical and indicrons in the extreme, and was the most attractive feature in the whole procession. The inevitable colored folks—lover and beleved—were represented by Messers. Jordan and Whitaker. They drove a small sulfy and looked like being bent on having "a good time." A good looking "colored gal" all alone was personated by Wille Monserrat. Several officer unrecognisable oddities made up the procession, numbering in all about fifty. The "Horrible" band was decidedly effective in waking up late sleeppes.

On returning to form a secue of gatety and re-

steepers.

On returning to lown a seem of galety and re-joicing was visible in every direction. The stars and stripes were flying on all sides. The barbor, which a few days before was void of shipping, now presented a gay appearance every vessel being only dressed with bunking. The next event was

Committee the control of the control

DECLIBATION OF INDEPENDENCE.

To-day we turn our eyes Eastward. We striv a look across the 2,000 miles of ocean that sepa to Montgomery's words as we read them the

In the wish, commitmed all in self.

In the wish of the self.

In the worsin, commitmed all in self.

In the worsin, commitmed all in self.

In the wish dust from whence the specing.

Unwept, anhunced and means.

Deep and tender in the breast of every true man is this love of country. Love of country? It is self-love. What are we but part of the country which we love? Our country America 1— is not outside of us but within us also—invisible parced of our loves. "We are members one of another," and limbs or atoms of the Nation—that grand Person which the Eather has made our Mother here below.

So, because the Old Flag, bartized and waters and

So, because the Old Flag, baptized and rebaptized in the blood of our fathers, brothers and sans, symbolizes Axeatca, our country, the sight of it stirs our hearts, quickens our pulse-beat, and bedews our eyes. It takes its color so, It is so fresh, and does not take, because it has been dipped so often and so deep in our own veins, and dyed anew in our patriotic devotion and trust.

II. The sight of the Stars and Stripes quickens the emotions of every true American maxatus; it II. The sight of the Stars and Stripes quickens the emotions of every true American measure it is the symmetry countries.

1. It is the symbol of mericani unity. By four years of terrible war we Americans decided that ours was not a Confederation of Sovereign States, but a Nation; that a Star once added to the Flag cannot drop out, or be forn from it, any more than a planet can be torn from the firmament; that, thriteenth or thirty-eighth, the Star once stitched in yonder field of blue, once graven on the shield of the Nation, there it must remain forever.

Salutes—Procession of Antiques and Horribles—Declaration of Independence—Patriotic Speech by J. A. Crusan—Pienic —Grand Ball.

On Monday evening there was no doubt that the "Yourth" was at hand. The apprightly firecreaker day amounted it to the crimens. At small chief was the strict was perfect that boar, and things began to "ham" from that how and things began to "ham" from that how and strip years was before that how, and strip years of the Astronomical to the renderrons. The "bors" turned out a very excellent procession; they were evidently loyal to the backbone, and gave a representation of the Hawaiian Army and Navy which was calculated to strike terror into the hearts of all beholders. They started a few minutes after six o'clock and on reaching Mr. John Notis they made a halt. Coffee &c. was here provided for the renditived. There was a bountiful amplify of milk trian Judge McCally's dairy.

After satialing their seems lake appetities, the After satialing their seems lake appetities, the

glad day:

Chang of beit and rear of gue
Send the tidings up and does.
How the selfites rick and real.
How the selfites rick and real.
How the selfites rick and real.
How the great game, past on peak
Fine the jest from town to form.
Now, the Stars and Stripes are doubly dear,
because they float no longer over a slave. Now
they are in truth a symbol.

For Predens in the name of time
Who came to raise Earth's drooping point.
To break the chain from every limb.
The bolt from every prison door?

The Stars and Stripes in also a symbol of
Equality.

Scarcely had the excitement caused by the procession of Antiques and Horribles subsided before there was a general move to the where so witness the boat races. The Isolator, C. R. Bishey and Laisilier, and other points of vantage were more crowded. At 2 n. m. sharp, Mr. Chas. B. Wilson, the starter got two six-cared schaleboats in a line, and at the word "go," the inside boat known as the Leissilvenestic started ahead and before passing the steamer wharf, she had a clear lead of four lengths. The other boat, the Universe gradinally pulled up as the Spar Booy was approached, and both rounded about the same time. On the home-stretch the Indiverse took the lead and won easily by ten lengths. Prize \$20.

The next event was a four-cared race for a prize of \$40 round the same course as the former mee. The compellitors were:

How like a living thing the Flag fired on at Samter and Moultrie, runs, mid fire and smoke, and death-dealing contest, to the top of command everywhere—from Maine to Texas, from the Lakes to the Galf, from the mountains to the sea, from the Atlantic to the Pacific—while the insurgent colors sink before it.

"Men who their distiles know, the know their share and the safe and the safe and the safe and the safe at the safe who signed that raik of their lives. Every may signed that seroll committed high treason-and they knew it! When the last name was signed, and when the first stroke on the old bell peaked through the inthe hall, a dread silence fell upon them; they rose to their feet, and, with pale faces, booked each other in the eye. The silence became painful. It was broken by Franklin: "Now," said the Boston printer, "we must all hang together or ye shall heav separately!"
It was such men who first unfurtation.

O. America! Loved and longed for! The lope of the oppressed and the asylura of the down-rodden! God grant that all thy sons and daughtees—at home and in other lands—may ever be rue to thy foundation principles of right, liberty not equality, so that thy "government of the peole, for the people, and by the people, shall never exist from the face of the earth."

see "Sail no! O, Ship of State Sail on, O Union, strong and great! Humanity with oil its fears. With all the lopes of feture years, Is hanging breathless on the fact. We know what Master laid the Keel.

band played a medley of Alierican airs. After a das reat, Mr. Berger gave a lavorite walls: which induced the young foths to test the quality of the darching floor. In the meantime the tables were spread with supstantial visings, and delicacies of every description. Suffice it to say that the catering was entirested to the issues of the Hawkinn Hotel under the superintendence of a Collistion Committee consisting of Messes. J. A. Hopper, R. Lewen, J. Q. Carter and John Ross. The ladies and children were first accommodated a special table being reserved for His Hajesty and members of the Committee. There was enough and to spare for all.

for all.

After the bandsmen had refreshed Lemostres, they played a series of dance music which was duly respectively to the juveniles, including football and merry-go-round.

Thus passed off the most "Giorious Fourth" that has ever been celebrated in Houselish. But the day is not yet finished. There was one smore remain. The last feature of the day, though by no means the least, was

The New Music Hall, now the favorite Fall Room of Honolula, was engaged for this event. The indefatigable committee, to whom this branch of the proceedings was delegated, did their duty in a most thorough manner. Everybody was myled, and nearly everybody accepted. His Majesty, H. R. H. Princess Lilinokaland, and H. R. H. Princess Likelike were present. Mrs. Comly and Mrs. J. H. Faty received the party. Shortly before nime o'clock the built was opened by His Majesty and Mrs. Comly with Gen. Comly and Princess Likelike were present from Jan Philinokaland. Mrs. Wodebones formed the see se-quiet Major Wodebones and Madams Feer, and Mons. Feer and Mrs. Wodebones formed the sides. From that time until two o'clock his morning, dancing was kepi up without internision. The supper was kerved on the basement floor, and the catterns, Messrs. Hart Bros., desurve great credit for the creditness that provided. The music was an atenal, enclusing in the extreme. The Stars and Stripes floated around the Hall, and the picture precented was one of thorough partriotism. Without exception this was the most brilliant ball over given in Honolulu.

To the gentlement who served on the various committees, mbounded praise is due. They attained perfection and rendered satisfaction in every department. Tim Bata

The Case of Drier ys. Knaa. et al. Ecoron Gararra: Drier sold 99-100ths of his and made him liable to a 1-100th part of the ex-

which for half a century threatened the existence of the Union, was closed at last in the high contit of war, by a decree from which there is no appeal."

Over the door in a home in old Massachusetts as two crossed swords. One was the sword carried by the grandfather of the owner of that home, on the field of Bunker Hill; and the other was the sword carried by the English grandsire of his wife on the sum field, and on the other side of the conflict. Under those crossed swords, in the hardness of the same field, and on the other side of the conflict. Under those crossed swords, in the hardness of the same field, and on the other side of the conflict. Under those crossed swords, in the hardness of the same field and free family, under the guard of our Republican institutions. So, North and South, Americans have crossed their swords and locked their shields in defense of this lide of Nothensities, "The Union—it must and shall be preserved." In the long on the court in the present of the wind of fifty millions of freemen.

2. The Fing is the cymbol of Liberty. The founders of our Republic loved liberty nore than home and kindred. Driven from old England. Case with these exiles wer the wave."

They sought liberty of the body and liberty of the soul. And when at last the Nation was born, the old bell in Independence Hall, which many forth the glorious things, bore as a motto around its brazen month, "Proclaim liberty unto ell the inhabitants thereof."

How strange, how monstrous, it seems to us now, that a Nation builded by such liberty-loving men, and founded on such a principle—a Nation that threw open its doors to the world's down trodden and opened on such a principle—a Nation that threw open its doors to the world's down trodden and opened on such a principle—a Nation that there's claim to be released of his obligations to pay wages; he may ship a gang of men without the many with its protecting shield—should have, for scores of years, chrished and protected African slavery as one of its "peculiar methods to be

theory should be upheld that it should release the servant.

The Court speaks of the reservation of a 1-100th part of the plantation as a "device" to retain the labor; the Court was right in this particular, it was a device and an bouset one: a device reinferred absolutely necessary by the status of labor in the Kingdom under the laws and the decisions of the Courts.

The fact of an agreement to convey the remaining interest for a nominal figure does not affect the law of the case. Drier still held an interest in the plantation and not only was liable for his share of losses and expenses but also for the wages of his men, which he had a right to week anywhere on the Island of Katani.

men, which he had a right to week unywhere the Island of Kauni.

It is difficult to follow the Court in its reason It is diment to robow the constraint of in their decision and to be recretified that a prece-dens should be undo which is likely to be disas-troni, if followed, to the interests of agricultur-and which does not appear to have been necessar, either as a matter of policy or upon legal principles First Justicia.
